LETTER FROM THE CHAIRWOMAN

On behalf of the Trust, GAP and our Scholars, thank you for all of the great accomplishments and forward momentum that your support is making possible at the Trust. Most importantly, 138 Scholars recently started classes and began another year in pursuit of their dreams. For many, this wouldn't be possible without the educational support and financial assistance of the Trust.

I want to emphasize that because of your support, we are expanding the work of the Trust to make a greater impact on more youth. To this end, the 2021-22 school year has been another year of firsts for the Trust, and we are both excited and proud to share news of our progress on the following pages.

In September, we hosted the inaugural **EMPOWER Women's Endowment Tournament** at Saucon Valley Country Club (see page 24). In addition to establishing a new Endowment in support of our female caddies, the event format invited feedback from both our current Scholars and women leaders in the corporate sector. Our hope is that by better understanding the obstacles that potentially prevent women from caddying, we can more effectively recruit young women to caddie and support their educational goals. This year's event at Huntingdon Valley Country Club will continue to grow this initiative.

In February, we created a new position at the Trust; **Director of Scholar and Alumni Engagement**. With the acknowledgement that our alumni community is an incredibly powerful resource, we're now doing more to connect our Scholars with mentors and prepare them to one day serve in

this capacity. The newly formed Alumni Board is working on regional receptions to take our show on the road. We are confident that our passionate alumni will provide meaningful guidance and support of our scholars.

In March, we launched the **Service to Golf Pilot Program** (see page 21), which will broaden our reach to Clubs throughout the growing GAP region. By expanding both our geographic and programmatic impact, we will strengthen the Trust, widen our base of support and grow our number of Scholars.

For the first time this year, we invited **parents of Scholars to attend our**

interview evenings in June (see page 25). We found their feedback to be incredibly helpful and we will work to establish additional ways to connect with our parents in an effort to better support our Scholars and their parents.

In July, we hosted the **Inaugural Scholar Leadership Summit** (see page 22). The day was planned by our Scholars and was a tremendous celebration of community and camaraderie. We recognize that there is tremendous value in our Scholars networking with their colleagues. With this in mind, we will strengthen these connections throughout the school year with on-campus receptions and by invitation to our Scholars to coordinate events throughout the year.

"I want to emphasize that because of your support, we are expanding the work of the Trust to make a greater impact on more youth."

We are grateful to all of our friends of the Trust and look forward to keeping you apprised of our progress in 2022-23. Because of you, the Trust remains committed and eager to fulfill our mission, while making our community better... one scholar at a time.

As always, we welcome your feedback and ideas as we work together to make a difference in the lives of our youth.

EMPOWER

In 2019, it was recommended by JWP Trustees that mentoring relationships and career advocacy be formalized to afford all JWP Scholars access to these relationships and the great benefit they provide. While the **EMPOWER** program itself is new, the concepts are not. By providing leadership development content, connections throughout the GAP network, and unique access to corporate opportunities, we now provide immeasurable added value to a Scholar's grant.

Community Partnerships We recognize that we need to grow diversity and inclusion among our Scholars. Partnerships with Snider Hockey and First Tee of Greater Philadelphia aim to grow the number of new caddies from underserved areas, with more to follow in 2022-23.

Mentoring When we put out the call to JWP alumni to serve as mentors, we were overwhelmed (literally) by the response. In the spring of 2021, we began to connect Scholars to mentors via a formal platform.

YouScience™ Starting in 2020, this outstanding program is now available to our Scholars. Users explore their career aptitudes, review personalized career matches, and develop affirming language to better highlight their assets in interviews and résumés.

Corporate Partnerships Realizing that businesses of all sizes in the GAP network can offer valuable career advice and connections,

Scholar and Alumni Engagement Possibly the most valuable network that our Scholars can access is that of their peers and alumni Scholars. The new Scholar Leadership Summit in July (see page 20) and regional alumni receptions in the fall will serve to strengthen these connections.

CROWDSOURCING AN ENDOWMENT

The Endowment Program continues to expand with more options for giving. Based on the interest of generous donors, endowments can now be funded en masse. This allows donors to pool their gifts and to designate how the funds will be used.

Members of Overbrook Golf Club and The Ozone Club have each initiated J. Wood Platt Endowments with the goal to be fully funded in the coming year and formally named. Endowments will be awarded to deserving caddies based on the stipulation. Below is a listing of donors from each group.

THE 2021 FRANCIS C. POORE CADDIE OF YEAR

MICHAEL REILLY

“The community and the network of relationships I’ve gained over my time caddying is incredible.”

Reilly, a recent Villanova University graduate, was selected as the **2021 Francis C. Poore Caddie of the Year**.

“Receiving the J. Wood Platt caddie scholarship has been something I’d been working toward since I started caddying,” Michael said. “Hanging on the wall next to the caddie shack door [at North Hills] when I first started was the J. Wood Platt poster. I was always reminded by my parents that in order to receive the scholarship, it took a lot of hard work. I think that was kind of shaped through my caddying experiences. Once receiving the scholarship, there was a certain standard I had to live up to.”

When Reilly needed to pivot from North Hills, Philadelphia Country Club felt ideal. Club pedigree enticed, for sure. Moreover, Reilly sought to attend nearby Villanova, his parents’ alma mater. Caddie and

college pursuits soon materialized. Reilly relied on that hard work ethos to transition rather seamlessly.

“I loved becoming more familiar with [Philadelphia Country Club] and learning how to caddie there,” Reilly, an economics major, said. “The members are great, and I’m grateful for how they’ve been to me over the years. Through caddying, I’ve met a lot of great people and great mentors. The community and the network of relationships I’ve gained over my time caddying is incredible.”

“Caddying has been a motivating part of my life. I’ve learned the importance of having a positive attitude, respect, relationship building and hard work,” Reilly said. “From the time I received the J. Wood Platt Caddie scholarship, and even before then, those were the ideals that stuck with me.”

SERVICE TO GOLF

The J. Wood Platt Caddie Scholarship Trust’s new mission is to financially aid and empower qualified caddies and those working in golf operations in their pursuit of higher education.

For more than 60 years, the J. Wood Platt Caddie Scholarship Trust has actively supported caddies in helping them achieve a college education. Now, in addition to continuing its longstanding support of caddies, the Trust will begin awarding college scholarships to those working in Service to Golf capacities at selected GAP (Golf Association of Philadelphia) Member Clubs. Service to Golf is defined as being employed in golf operations: bag room, driving range, cart management, and pro shop.

For a pilot program, the Trust selected more than two dozen GAP Member Clubs — many of which do not have caddie programs, and some of which are public facilities. The hardworking young men and women who work in these Service to Golf roles enhance the golf experience. They hope to attend college and to pursue a brighter future, which the Trust wants to help make possible.

Applications are taken annually on the Trust’s website, www.plattscholar.org. Applicants are asked to submit financial documents, a school transcript, and proof of their employment record. Applicants chosen as a finalist are asked to attend an interview with J. Wood Platt staff and the J. Wood Platt Board of Trustees. J. Wood Platt will award need-based Service to Golf scholarships of up to \$5,000 annually. Recipients must continue to work when home from college, be enrolled in a college or university as a full-time undergraduate student, and maintain a minimum grade point average. Scholarship recipients are also highly encouraged to take advantage of the Trust’s EMPOWER Program, which provides mentoring and career preparation services.

The pilot program will run for two years, after which the Trust hopes to accept applications from anyone working in a Service to Golf capacity at all GAP Member Clubs.

EMPOWER

SCHOLAR LEADERSHIP SUMMIT

On July 26, the J. Wood Platt Caddie Scholarship Trust held its Inaugural **EMPOWER** Scholar Leadership Summit at Union League Liberty Hill, which featured keynote speaker Kevin Negandhi (anchor for ESPN's SportsCenter/ ESPN College Football on ABC).

Scholar engagement was excellent! There were over 100 JWP Scholars in attendance who enjoyed a terrific day of networking, leadership discussion, and celebration! The morning started off with breakfast and mingling of Scholars, a chipping contest, giveaways, and a program that included J. Wood Platt Alumni and Kevin Negandhi. His message was powerful and relevant to our Scholars. We have countless thank you notes from our scholars recognizing the importance of the day!

Thank you to those who support the Trust. Because of you, we continue to add more value to our scholars' lives with our **EMPOWER** program.

EMPOWER

Leadership Summit and Scholarship Golf Outing

The J. Wood Platt Caddie Scholarship Trust hosted its inaugural **EMPOWER Leadership Summit and Scholarship Golf Outing** Sept. 26–27 at Saucon Valley Country Club.

This newly-established initiative benefits the Trust's women's endowment fund, which supports female caddies and recognizes their unique and important role in the game. The two-day event raised more than \$100,000, with \$50,000 earmarked in support of a new Scholarship that will be awarded to a female caddie.

“Over and above funds raised, the overarching goal of this event was to also serve as a catalyst to grow the number of female caddies among GAP Member Clubs. We have meaningful work to do on this front, but we recognize this event as an important starting point,” Tina Gregor, the Trust’s Chairwoman, said.

The **EMPOWER** Leadership Summit and Scholarship Golf Outing was initiated and presented to the Trust’s Board by event co-chair and J. Wood Platt alumnus Billy Reube, ’13, as a way to give back to the Trust.

To this end, 35 event sponsors, Platt alumni and friends of the Trust gathered at the Hotel Bethlehem on Sept. 26 for dinner and discussion regarding potential barriers to caddying that exist for young women (see sponsor listing on page 9).

“We were deliberate about inviting female thought-leaders, and in particular, new golfers and non-golfers, to provide a wider perspective on the experience. Our hope is that this input will allow us to do a better job of reaching a more diverse audience while allowing us to better anticipate obstacles along the way,” Buddy Aiken, the event’s co-chair, said.

The Sept. 27 portion of the **EMPOWER** Leadership Summit and Scholarship Golf Outing opened with a mentoring breakfast where female caddies conversed with leaders in the corporate sector. More than 100 people then gathered on Saucon Valley’s Weyhill Course for a day of golf. Concurrently, Bridget McLaughlin, an assistant golf professional at St. Davids Golf Club, hosted a women’s clinic for those new to the game on the range. The **EMPOWER** Leadership Summit and Scholarship Golf Outing concluded with remarks from two female caddies: Parker Bria, a Platt/Evans Scholar attending Penn State University, and Charli Jones from the First Tee of Greater Philadelphia.

The 2021 J. Wood Platt Caddie Brunch

The 2021 J. Wood Platt’s annual Caddie Brunch was held virtually due to COVID-19 on Jan. 27, 2022. JWP streamed the caddie brunch on YouTube Premier where 168 viewers tuned to celebrate the JWP Caddies.

Annually, the J. Wood Platt Brunch brings the caddies and donors together to celebrate the past year with the Trust. Congratulations to all of our scholars and thank you to every donor who made this possible.

During the #2021PlattBrunch, Michael Reilly of Philadelphia Country Club was named Francis C. Poore Caddie of the Year.

The 2022 J. Wood Platt Interviews

In May 2022, St. Davids Golf Club hosted the J. Wood Platt Caddie Scholarship Trust interviews for a new class of scholars for the 2022–23 school year. This is the first year that we extended our invitation to include family and friends of the Trust. The J. Wood Platt team was able to meet the families and to share important details of several new initiatives benefiting our scholars. In addition, the new format allowed for everyone to hear important updates and the Trust’s expectations regarding Scholar engagement and our EMPOWER program. It was exciting for many of our donors and supporters to meet our scholars and witness the start of their journey towards college and career success! Thank you to all scholars, parents, and friends of the Trust who joined us! Congratulations to you all.

Salvatore A. Parisi Jr.
157 Conover Terrace
Lebanon, NJ 08833

Dear Tina,

Our son, Salvatore A. Parisi 3rd "Sam", caddied at Tavistock Country Club in Camden County. He received a generous scholarship, from J. Wood Platt, to attend St. Joseph's University. After graduating in 2004 and receiving a B.A. in History, he joined Americorp. There he had some interesting assignments, among them, serving in Louisiana after hurricane Katrina, tutoring Navajo children in a reservation in New Mexico, and working with Habitat For Humanity where he met former president Jimmy Carter.

Americorp is also where he met his future wife. After Americorp, they spent some years in Colorado, after which, they did a complete thru-hike of the Appalachian Trail. They then moved to Vermont where Sam was hired by the Green Mountain Club. There, he would lead groups on one-week backpack excursions into the forest to do trail maintenance on Vermont's Long-Trail. Sam was also part of the 4-man crew that assembled the famous hiker's metal suspension bridge high over the rushing Winooski River, outside of Burlington, Vermont. To this day, a plaque on the bridge, commemorates the accomplishment of the 4 young men.

After his wife received her nursing certificate, they talked of starting a family. In 2014 he and an associate started a contracting company involved in the production of maple syrup.

Tragically, in April of 2015 Sam found out that, what the doctors had first thought was an appendicitis, was actually stage-4 colon cancer that had already totally involved his liver. To no one's surprise, he spent 6 months being very active, for example traveling to different parts of the country to meet with friends. He did not allow his condition to interfere with the activities he loved. He took me bass-fishing in Vermont and would not let me help him put the canoe on the roof racks. Of course, he caught a bass, while mine got away. He had made the courageous decision to not spend his final months sitting next to the phone as part of an experimental treatment group. Once he made a decision, he could rarely be talked out of it. He passed away in November of that year when his liver failed.

I always thought that Sam was the prototype Caddie Scholar. A natural athlete, he excelled at most sports including Swimming (one of his poo records still stands), Basketball (High School JV level), & Skiing (starting in his 20's he achieved Expert level). I'm sure he would have continued playing golf later in life, had he survived. He had a talent for leadership (quarterbacking his Midget Football team). He made friends easily and somehow, people were attracted to him. As far as school went, it came easily, and he completed St. Joseph's rigorous program in 4 years.

My wife and I feel that the J. Wood Platt program is doing "Good Work" and is an asset to the region.

A day does not go by where we don't think of Sam and miss him terribly. Please accept our modest contribution in his memory.

Sincerely,
Sal & Nancy Parisi

We thank you for your past support and consideration of an investment in the TRUST!

All general gifts more than \$250 and all alumni gifts will receive a JWP Bag Tag.
If you are a member of multiple clubs, then 100 percent of your support will be credited
toward each club. Contributions of all types will be credited toward club totals.

GENERAL SUPPORT GIFTS

Unrestricted Gifts at the \$250 – \$2,500 level are recognized as **PAR** (\$250), **BIRDIE** (\$500), **EAGLE** (\$750), and **DOUBLE EAGLE** (\$1,000).

EMPOWER

EMPOWER gifts (\$2,500 level) will remain unrestricted while specifically supporting our efforts toward expanding the **EMPOWER** youth development efforts (*please see page 8*).

LIFETIME CLUB

The **Lifetime Membership Program** was launched in 1994 as a means to enable donors to make lasting contributions to the Trust through a \$10,000 contribution. Although payments can be made over time, Lifetime Members are immediately recognized when they share their intent with the Trust. The funds generated from the Program are deposited in a special permanent endowment, from which only the income generated will be used for scholarships. These funds continue to provide the Trust with a crucial source of permanent funding. Contributions are most commonly made in one initial investment (cash or stock) or over a four-year period with installments of \$2,500 per year. There is additional flexibility with payments for donor convenience.

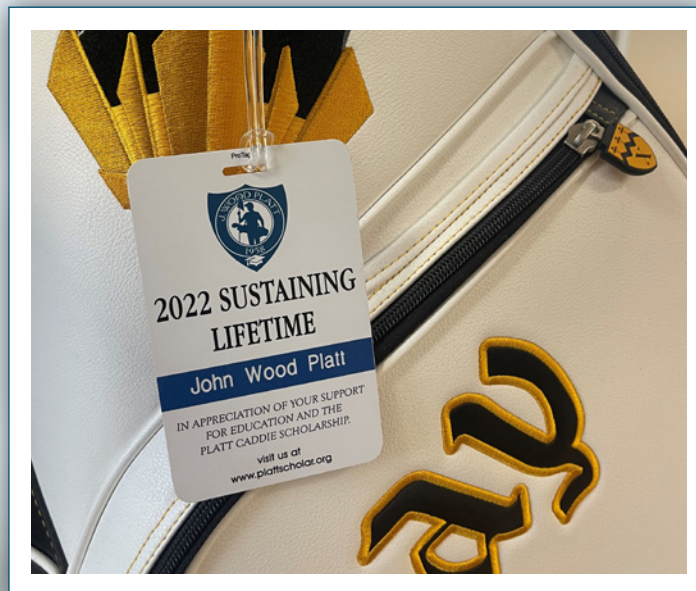

SUSTAINING LIFETIME

It is understandably our hope that Lifetime donors will continue to support the Trust after their Lifetime commitment is fulfilled. To this end, the Trust solicits **Sustaining Lifetime Donors** to contribute \$1,000 annually as Lifetime Club members. There is no annual obligation for Lifetime members to participate at this level.

NAMED SCHOLARSHIPS

J. Wood Platt Named Scholarships, (aka the Endowment Program) recognizes those individuals who wish to make a substantial and visible impact above and beyond the regular levels of giving.

An endowment is fully-funded (and thus awarded) when it reaches \$50,000, but it is recognized publicly when 10 percent or \$5,000 of the endowment is committed. Endowments can be established by one individual, or by a group of individuals in honor or memory of a particular cause. Donors are permitted to stipulate that the gift go toward a caddie who attends a particular school or works at a particular club (*please see page 14*).

SCHOLARSHIP *ELIGIBILITY*

The **J. Wood Platt scholarship program** is open to those who have caddied for at least one year at one or more GAP Member Clubs. The selection of caddies to receive scholarship funds is made on an annual basis by the J. Wood Platt Trustees. The awards are not golf scholarships and do not reward athletic ability.

The mission of the Scholarship is to meet the financial need of all applicants while at the same time preserving one of the great traditions of the game. Grants range from \$1,000 to a maximum award of \$10,000.

Scholarships are based on a careful analysis of a family's situation as reported on the Free Application for Federal Student Aid (FAFSA). Other factors considered include the institution's student budget, scholarships and grants received by the student and the estimated family contribution (EFC) as listed on the Student Aid Report. The main goal of the Scholarship is to attempt to meet the remaining financial need as indicated by this formula.

In addition to having a displayed financial need, all J. Wood Platt scholarship applicants are required to maintain at least a 2.5 cumulative grade point average in college and to remain an active caddie in the summer season.

As a player, administrator and benefactor, **John Wood Platt** was

perhaps the single most influential figure in the history of GAP.

A record seven-time Philadelphia Amateur Champion and four-time Joseph H. Patterson Cup winner, Platt was the only man to serve as Association President on two different occasions, and, in 1958, a founding father of the caddie scholarship trust that bears his name.

Platt's player record is as impressive as it is expansive. His seven GAP Amateur championships will likely never be equaled and his 11 total GAP Major titles (excluding Silver Crosses) puts him third on the all-time list behind only William Hyndman, III (15) and R. Jay Sigel (13).

In addition to a lengthy list of GAP accomplishments, Platt's final great moment as a competitor was winning the first U.S. Senior Amateur Championship ever contested in 1955.

In 2008, Platt was inducted into GAP's inaugural Hall of Fame class.

Platt died of a heart attack on Dec. 8, 1959 at age 61.

THANK YOU FOR YOUR INVESTMENT IN THE

JWP CADDIE EXPERIENCE

Caddies in our program acquire a set of unique, intangible skills that help them achieve future success.

AMBITION, COURAGE, CONFIDENCE & COMMITMENT

The caddie experience instills passion and ambition in our young men and women as they must venture outside their comfort zone to be successful caddies.

HUMILITY & SELF-AWARENESS

Being self-aware is about knowing your strengths and weaknesses. The caddie experience naturally develops self-awareness and self-starter skills for our young men and women.

ADAPTABILITY

Adaptability focuses on the head and the heart. Learning how to deal with new and different challenges and adapt communication styles to be effective with a wide range of people is critical to acquiring this skill.

CHEMISTRY & COMMUNICATION SKILLS

Great caddies must learn how to build rapport, engage in a mutually respectful manner and maintain an appropriate level of goodwill and humor at all times.

THANK YOU!
