LETTER FROM THE CHAIRWOMAN

On behalf of the Trust, GAP and our Scholars, thank you for your tremendous support, as well as your appreciation for our expanded mission and new initiatives. Our growth, accomplishments and forward momentum does not happen without you. We are thrilled to report that 149 Scholars recently started classes and began another year in pursuit of their dreams. For many, this wouldn't be possible without the educational and financial assistance of the Trust.

We are proud of our efforts to strengthen our connections with our friends of the Trust, while establishing new relationships that align and support our mission. As **we strive to grow both the number and diversity of Scholars**, we know that proactive and thoughtful efforts are necessary. To this end, we have been progressively strategic about our outreach and forging new partnerships with Clubs, individuals, community partners and corporations. We are starting to 'move the needle' and witness first-hand the progress from this rewarding work.

We have 12 female Scholars receiving support this year; a historic record for the Trust. In October, we will host our 3rd Annual Women's Endowment Tournament at Sunnybrook Golf Club to raise both funds and awareness for the cause. Our J. Wood Platt community has shown immeasurable enthusiasm for this initiative, and we're just getting started.

GAP continues to grow its reach and footprint. Thanks to our expanded mission to assist youth working in golf operations, **we are beginning to see new Clubs represented among our ranks.** From John F. Byrne Golf Club to Frosty Valley, the Service to Golf program allows us to support more youth from a wider geographic range.

Reaching youth at a younger age is critical

for us to maximize our impact on our Scholars' lives. It is with the help of our nonprofit partners that we can make these connections with local youth. Ed Snider Youth Hockey & Education has been instrumental in helping us introduce caddie and golf opportunities to high school students. By the time they are juniors, they are prepared and on track to apply for a scholarship. The First Tee of Greater Philadelphia has also been a strong ally. We are proud to include Scholars who hail from both organizations this year, and we are confident our numbers will grow in 2024-25.

Corporate connections are also a tremendous asset for the Trust and continue to grow. In 2023-24, we will look to formalize sponsorship opportunities through the **EMPOWER**

Program and leverage these relationships to offer our Scholars direct access to career and leadership resources. We continue to tell our Scholars and their parents that these connections are every bit as valuable as scholarship dollars.

On page 25 **we highlight our inaugural Scholar Service Project**, held in partnership with Cradles to Crayons. As service and leadership becomes a core part of the EMPOWER Program, we will look to expand volunteer opportunities for our Scholars and continue to provide opportunities for our Scholars to help plan and orchestrate events.

Lastly, on page 30, you will see our **new list of Club Ambassadors.** These individuals have enthusiastically volunteered to help share the mission of the Trust with their Club members. They are advocates for both caddies and youth who work in service to golf. Please thank these individuals when you see them on the course, as they are truly invaluable to our efforts.

We are grateful to all our friends of the Trust, new and old, and look forward to keeping you apprised of our progress in 2023-24. Because of you, the Trust remains committed and eager to fulfill our mission, while making our community better... one scholar at a time.

As always, we welcome your valued feedback and creative ideas to help the Trust fulfill its bold mission. As we work together to make a difference in the lives of our youth, please know we are both grateful and humbled by your passionate support and generosity.

Gratefully,
Tina Gregor

SERVICE TO GOLF

Building upon the achievements of its pilot program, the J. Wood Platt Caddie Scholarship Trust is thrilled to announce the extension of its **“Service to Golf” initiative** to expand to all 300+ GAP Member Clubs. Originally designed as a two-year pilot program, the success in its inaugural year has led the Trust’s Board of Trustees to accelerate the expansion which enables even more individuals in golf operations to pursue higher education and a brighter future.

For more than 65 years, the J. Wood Platt Caddie Scholarship Trust has been a driving force in supporting aspiring students in the golf community, particularly caddies, by facilitating their access to higher education. In an evolution of its mission, the Trust sought to empower those working in Service to Golf capacities, which include roles in the bag room, driving range, cart management, and pro shop by offering scholarships and mentorship.

SCHOLARSHIP ELIGIBILITY

The **J. Wood Platt Scholarship program** is open to students with demonstrated financial need who have either caddied or worked in golf operations for at least one year at a GAP Member Club. The goal of the Scholarship is to cover unmet financial need – up to \$10,000 annually for caddies and \$5,000 annually for golf operations staff. Platt Scholarships are awarded after colleges have offered financial aid packages, thereby reducing dependence on loans.

Scholars are selected annually by the Trust after a comprehensive analysis of each applicant’s financial situation, academic performance, and record as a caddie or golf operations worker. Platt Scholars are required to maintain a grade point average of 2.5 and to continue caddying or working in golf operations during the summer.

Applications for the 2024-25 academic year opened on August 1, 2023.

Who can apply?

- Caddies and golf operations staff – as long as their parents are not members of a private club
- Rising high school seniors and those currently enrolled in college full-time

What are the eligibility requirements?

1. A grade point average of at least 2.5
2. Be enrolled (or plan to be enrolled) as a full-time, degree-seeking student at an accredited college or university
3. Complete the FAFSA and have demonstrated financial need
4. A strong record as a caddie or golf operations staff member
 - **Caddies:** 30+ loops each year receiving the scholarship
 - **Golf Operations:** Those working in the bag room, cart management, pro shop, or on the driving range who complete at least 150+ hours each year receiving the scholarship

Are applicants guaranteed a scholarship?

Applicants whose parents are members of a private club are not eligible to apply. Scholarships are intended to cover unmet financial need. Nearly all applicants who submit their materials on time and have unmet financial need will receive a scholarship.

How much are the scholarships?

Caddie Scholars receive between \$1,000 – 10,000 per academic year

Golf Operations Scholars receive between \$1,000 – 5,000 per academic year

Applications are open now!

CROWDSOURCING AN ENDOWMENT

The Endowment Program continues to expand with more options for giving. Based on the interest of generous donors, endowments can now be funded *en masse*. This allows donors to pool their gifts and designate how the funds will be used.

Members of **Overbrook Golf Club**, **The Ozone Club** and **Friends of David Ansel** have initiated J. Wood Platt Endowments with the goal to be fully funded in the coming year and formally named. Endowments will be awarded to deserving caddies based on the stipulation. Below is a listing of donors from each group.

THE 2022 J. WOOD PLATT *CADDIE BRUNCH*

On December 17, 2022 at Philadelphia Country Club, 190 members of the JWP Community gathered to celebrate the Trust during the holiday season for the 2022 **J. Wood Platt Caddie Brunch**.

The morning started off with a warm greeting from the Secretary of the Trust, Jeffrey Mitzak, followed by a welcome from Chairwoman, Tina Gregor. The program followed with remarks from the **EMPOWER** Women's Endowment Award winner, Francesca Bria, and remarks from the winner of the **EMPOWER** Leadership Award, Andrew Christensen. The **EMPOWER** Leadership Award is presented annually to a Scholar who demonstrates outstanding efforts toward professional growth, peer-to-peer relationships and service to both the Trust and to the community.

Throughout the morning, we also heard from George Whitfield, a high school student that participates in our partnership with Snider Hockey, Lindsay Myers who is the Director of Scholar and Alumni Engagement for the Trust, Executive Director of GAP/JWP, Mark Peterson, and JWP Alumni, Billy Reube and Kevin Gallagher. Todd Baron, Pine Valley Caddie Manager, awarded the Francis C. Poore Caddie of the Year Award to Platt Scholar, Gage Wolfle. Wolfle, 21, of Sewell, N.J., is a senior finance major at St. John's University. He's caddied at Pine Valley since 2018 and is also an outstanding collegiate golfer.

THE 2022 FRANCIS C. POORE CADDIE OF YEAR

GAGE WOLFLE

“Throughout my caddying experiences, I’ve learned to adapt to my environment, enhance my communication skills, and appreciate what I am doing out there.”

“[Gage] embodies everything that the Platt looks to achieve: good character, good golf knowledge, good caddies, and the determination to get better at his game,” Todd Baron, Pine Valley Caddie Manager and J. Wood Platt Trustee, added.

After learning more about the scholarship, Wolfle began to notice J. Wood Platt Caddie Scholarship Trust donor tags on some of the players’ bags. His understanding of the support that these donors provide made Wolfle want to impart an even greater service to them.

“It definitely has made me want to become a better caddie out here just because I know that a lot of these people are putting money toward kids going to school,” Wolfle said. “If I’m doing my best job out here I think it just looks good on me as a person and as a caddie.”

Excerpt from Gage Wolfle’s Acceptance Speech

First off, this organization has been amazing to me since the beginning. I’ve made great relationships with many of the people that contribute to the J. Wood Platt Scholarship; and I have enjoyed representing what it stands for. I started caddying in 2018 and ever since, I have realized the true mission at Pine Valley, which is to serve beyond what you are expected of.

Throughout my caddying experiences, I’ve learned to adapt to my environment, enhance my communication skills, and appreciate what I am doing out there.

2023 PLATT SCHOLAR *INDUCTION SOCIAL*

On May 25th at **Lancaster Country Club** and on May 31st and June 1st at **Whitemarsh Valley Country Club**, J. Wood Platt Caddie Scholarship Trust welcomed a new class of Platt Scholars! For the 2023–24 school year, we have 51 new scholars joining our program which gives us a total of 149 Platt Scholars who come from 48 different clubs and 58 universities. We invited scholars, family, and friends of the Trust to join us. The J. Wood Platt team was able to meet the families and share important details of the program. In addition, the program allowed everyone to hear important updates and the Trust's expectations regarding Scholar engagement and our **EMPOWER** program.

THE 2023 DISTINGUISHED SERVICE AWARD DINNER

On Wednesday, April 26th at Philadelphia Country Club, 85 members of the J. Wood Platt community attended the **2023 Bill and Barbara Walsh Distinguished Service Award Dinner** in honor of Paul Mauer. The Walsh family and Mauer family were in attendance along with JWP staff, JWP board members (past and present), GAP Executive Committee members, and many Stonewall members.

The Bill & Barbara Walsh Distinguished Service Award was created in 2005 to honor individuals who through their actions have exemplified outstanding and notable service and contribution to the Trust in honor of Bill and Barbara Walsh. The award acknowledges the person's dedication to the educational advancement of caddie and service to golf scholarships.

Excerpts from the program

"It is a uniquely special occasion when the Trust presents the **Distinguished Service Award** and honors someone, that is selfless in nature and tireless with their efforts in supporting our mission and our scholars. As Mark stated, on this occasion, we are reminded of all that Bill and Barbara Walsh, and their large extended family have done to create an incredible legacy and template for extraordinary service. Once again, thank you!"

So, tonight we have exactly that opportunity- someone to recognize, to thank, to honor, and hopefully let him know how much he means to the Trust, GAP, and so many people here in our community. That very special person, and why we are here tonight is Paul Mauer! There are so many wonderful things to say about Paul and countless reasons to thank him tonight. Paul is overwhelmingly humble. A little background on Paul. He started at Merion Golf Club as a caddie in 1967 and also worked in the golf shop, driving range, and ground crew. He worked as a caddie and in the shop on weekends after graduation from St. Joseph's University. In 1988 Paul left his regular job with an insurance company and became caddie manager at Waynesborough with the promise and hope of becoming a manager there. Jack May, one of the founders at Waynesborough, told him he was starting a club and he asked if he would be interested in being the general manager. In November 1992, Paul was hired by Stonewall as its first GM and has been there ever since. Paul commented that the Old Course at Stonewall being a walking-only course and caddies being an important aspect of the culture at Stonewall is right up his alley!"

EMPOWER

SCHOLAR LEADERSHIP SUMMIT

On July 25th, the J. Wood Platt Caddie Scholarship Trust hosted the 2nd annual **EMPOWER** Scholar Leadership Summit at Union League Liberty Hill, which featured keynote speaker Michael Collins (senior journalist for ESPN). The theme of the day was community and connections, recognizing that fact that there is tremendous value in Scholars getting to know and rely on their peers.

Scholar engagement was excellent! There were more than 100 JWP Scholars in attendance who enjoyed a terrific day of networking, leadership discussion, and celebration! The morning started off with breakfast and mingling of Scholars, a chipping contest, giveaways, and a program that included J. Wood Platt Alumni and Michael Collins. As a former caddie, his message was one of humor and stories that were very relevant to our Scholars.

As part of an ongoing commitment to Scholar service and leadership, The Trust was also pleased to partner with NOSOLO Brand in sharing a message from the founder and asking Scholars to serve as brand ambassadors to help grow awareness for the cause. NOSOLO partners with NAMI – National Alliance on Mental Illness. This organization, with over 40 years of service, envisions a world where all people affected by mental illness live healthy, fulfilling lives supported by a community who cares.

Thank you to those who support the Trust. Because of you, we continue to add more value to our scholars' lives with our **EMPOWER** program.

EMPOWER

Women's Endowment Golf Outing

On October 24, 2022, the J. Wood Platt Caddie Scholarship Trust hosted the 2nd annual **EMPOWER Women's Endowment Golf Outing** at Huntingdon Valley Country Club. The event was initiated and presented to the Trust's Board by event co-chair and J. Wood Platt alumnus Billy Reube, '13, as a way to give back to the Trust.

Established in 2021, this initiative benefits the Trust's women's endowment fund, which supports female caddies and recognizes their unique and important role in the game. The event again raised more than \$100,000, with \$50,000 earmarked in support of a Scholarship that will be awarded to a female caddie. *(It's worth noting that 12 women are receiving scholarship support in 2023-24, which is a Trust record).*

"Over and above funds raised, the overarching goal of this event is to also serve to grow the number of female caddies among GAP Member Clubs," says Buddy Aiken, event co-chair. "Female caddies are an integral part of our program at St. Davids and we hope to inspire other Clubs to grow their numbers."

The 3rd annual event will be held on October 16, 2023 at Sunnybrook Golf Club.

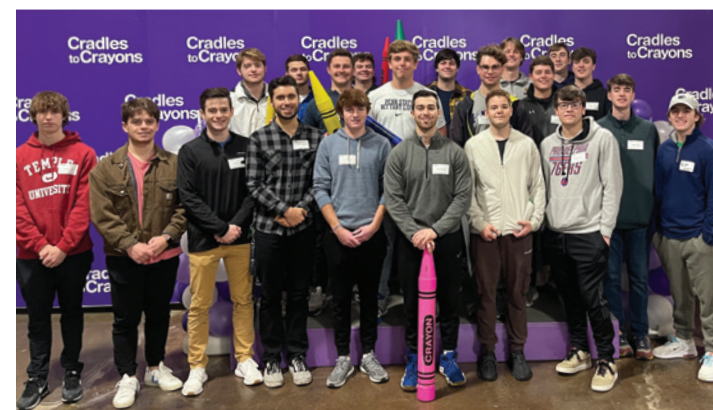

With Thanks to our Outstanding Sponsors!

FIRST ANNUAL SCHOLAR SERVICE PROJECT

In January, Scholars gathered for the inaugural JWP Service Project at **Cradles to Crayons** in Philadelphia. This essential nonprofit provides children from birth through age 12, living in homeless or low-income situations, with the essential items they need to thrive – at home, at school and at play.

Service and Leadership – to the Trust, Scholar peers and the community – is a core part of the **EMPOWER** Program. In addition to annual service projects, Scholars are also provided with opportunities throughout the year to serve as campus ambassadors and planning committee members.

EMPOWER

In 2019, the Trust committed to formalizing mentoring relationships and career advocacy to afford all JWP Scholars access to these relationships and the great benefit they provide. While the **EMPOWER** program itself is new, the concepts are not. By providing leadership development content, connections throughout the GAP network, and unique access to corporate opportunities, we now provide immeasurable added value to a Scholar's grant.

Community Partnerships We recognize that we need to grow diversity and inclusion among our Scholars. Partnerships with Snider Hockey and First Tee of Greater Philadelphia aim to grow the number of new caddies from underserved areas, with more to follow in 2023-24.

Mentoring When we put out the call to JWP alumni to serve as mentors, we were overwhelmed (literally) by the response. In the spring of 2021, we began to connect Scholars to mentors via a formal platform.

YouScience™ This outstanding program is now available to all Scholars. Users explore their career aptitudes, review personalized career matches, and develop affirming language to better highlight their assets in interviews and résumés.

Corporate Partnerships and Career Connections Realizing that corporations of all sizes in the GAP and JWP networks can offer valuable career advice and opportunities, these partnerships continue to evolve. Scholars receive advance notice of internship opportunities and guaranteed interviews with businesses who recognize the value in hiring a Scholar.

Scholar and Alumni Engagement Possibly the most valuable network that our Scholars can access is that of their peers and alumni Scholars. The new Scholar Leadership Summit in July (*see page 20*) and regional alumni receptions in the fall will serve to strengthen these connections.

NEW IN 2022/23

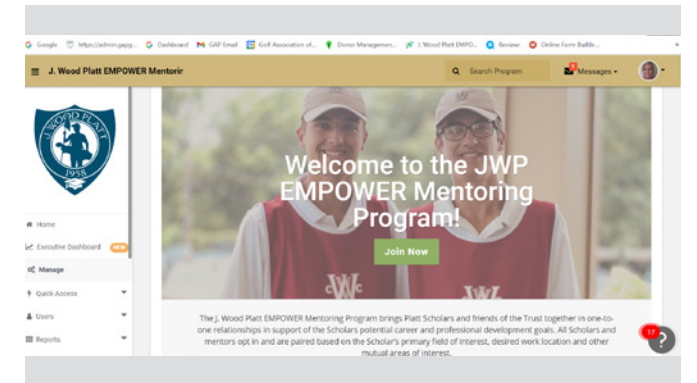

Service to Community Recognizing that our Scholars want to have opportunities to serve and have a deeper level of engagement with the Trust, participants now lead on planning committees for all JWP events. Partnerships with Cradles to Crayons (*see service project on page 25*) and NOSOLO Brand allow Scholars to give back to our community while connecting with each other.

EMPOWER Leadership Award Created in 2022, the honor recognizes a Scholar who has shown leadership and a deep level of engagement with the program while displaying exemplary service to the Trust (*see page 18*).

Educational Stipend For those Scholars who meet the rigorous program participation requirements, the Trust is pleased to provide an additional \$500 stipend in the spring to help Scholars meet additional educational expenses. Scholar have shared that these funds have been invaluable at year-end, and have helped them pay for everything from calculators to summer mission trips.

WE'RE ON THE MOVE!

We are proud to announce the debut of the **J. Wood Platt 1958 Alumni Society**, recognizing the strength in our community of over 3,200 Alumni.

Twenty-five young(ish) alumni gathered in November at the **Union League of Philadelphia** for an evening of cocktails and caddie stories this past October. In May, 40 alumni joined us at **Whitemarsh Valley Country Club** to reminisce about the good ole days in the yard.

We're busy planning events for the fall and will continue to expand our reach, with next stops likely to be New York City and Washington, D.C. Are you outside of the greater Philadelphia Area and interested in hosting or attending a reception? Email alumni@plattscholar.org to get started!

THE MATCH

There's a classic book titled, "The Match," that recounts a historic 18-hole match between two amateurs, Harvie Ward & Ken Venturi, vs two pros, Ben Hogan & Byron Nelson.

On Thursday, August 11th, 2022, four competitors played a literal recreation of "The Match" at Llanerch with the pros (**Vince Covello & Billy Stewart**) competing against the amateurs (**Michael McDermott & Jeff Osberg**) in a Llanerch High-Low team match for charity. The proceeds were split evenly between the J. Wood Platt Caddie Scholarship Trust & the First Tee of Greater Philadelphia.

Thank you to our friends at Llanerch Country Club for raising over \$50k for J. Wood Platt!

Contributions of all types will be credited toward club totals.

JWP Bag Tag Program

All general gifts more than \$250 and all 1958 Alumni Society gifts (see page 26 for 1958 benefits) will receive a personalized JWP Bag Tag. Since its inception, the Bag Tag Program has been the main source of revenue for our scholarship program.

- PAR | \$250**
- BIRDIE | \$500**
- EAGLE | \$750**
- DOUBLE EAGLE | \$1,000**
- EMPOWER | \$2,500**

The **JWP Lifetime Membership Program** was launched in 1994 as a means to enable donors to make lasting contributions to the Trust through a \$10,000 contribution. The funds generated from the Program are deposited in a special permanent endowment, from which only the income generated will be used for scholarships. These funds continue to provide the Trust with a crucial source of permanent funding. It is understandably our hope that Lifetime donors will continue to support the Trust after their Lifetime commitment is fulfilled. To this end, the Trust solicits Sustaining Lifetime Donors to contribute \$1,000 annually as Lifetime Club members.

The J. Wood Platt Caddie Scholarship Trust welcomes all forms of giving.

Our team will work with you to maximize your impact.
